About the Collection

Ein Fokus auf reduzierten Luxus ist für die Saison 24/25 wichtig, da Langlebigkeit, Saisonunabhängigkeit und Vielseitigkeit im Vordergrund stehen, mit einem aufgepeppten Look, der sowohl zum Faulenzen als auch zur Arbeit oder zu Hause getragen werden kann.

Einfache Silhouetten, hochwertige Materialien und neutrale Farben sind gefragt. So wird zum Beispiel die Leggings neu interpretiert und in das Gesamtoutfit integriert. Wir zeigen Formen mit weichen und haptischen Oberflächen, in denen Minimalismus und Maximalismus nebeneinander existieren.
